

## Weddings

Thank you for your interest in Soundworks Productions. Enclosed is a copy of our most commonly requested songs, this is by no means all of the music that we have to offer - but a sampling of what is most often requested at Weddings, Anniversaries and other parties.

If you are a fan of newer music (2015 - Country, Top 40, Rap/Hip Hop, Latin & Club) we subscribe to the same music services as the top Philadelphia Radio Stations do.

Your Wedding Day is one of the most important days in your life. Hundreds of hours will be put into planning for your perfect day. At your reception, let Soundworks Productions become the heartbeat of your affair.

**With Soundworks Productions, we will work closely with you to custom tailor the soundtrack to your wedding day.**

During the cocktail & dinner hours, we will play a variety of the best music that has come out of each decade. While playing during the cocktail and dinner hours, we watch our volume levels closely to insure your guests won't have to compete with the DJ to hear one another. After dinner, when the lights are dimmed, we play only the best dance music there is to offer.

**We will respect your requested songs and will not play the music you do not want.**

We will also serve as your Master of Ceremonies for the evening and work closely with the staff of your caterer to insure all aspects of your reception are seamless.

**Friday & Saturday Evenings: \$750.00**  
**Saturday Afternoons (12 - 5) Sundays (anytime): Call for Pricing**

Many Caterers offer extravagant parks for you to host your Ceremony in. Soundworks Productions can provide Ceremony Music as well for an additional fee.

**Ceremony Music: \$100.00**

**We look forward to speaking with you and to help make your special day a memorable event.**
